

SECOND AMENDMENT TO ENVIRONMENTAL
CONSERVATION, ON-SITE SEWAGE MANAGEMENT
AND PERMIT ORDINANCE

The Board of Commissioners of Evans County, Georgia, for the protection of the health, welfare, and benefit of the citizens of Evans County, Georgia hereby amends the Environmental Conservation, On-Site Sewage Management and Permit Ordinance to provide as follows:

Section One: Any septic tank located in a flood plain area shall be constructed of materials approved by the Evans County Health Department, all in accordance with its rules and regulations.

Section Two: No permit for location of a septic tank in a flood plain area shall be issued without prior approval of the Evans County Health Department as to the septic tank to be installed.

Section Three: A violation of this Ordinance shall require the immediate removal of the unapproved septic tank, and a fine not to exceed \$500.00 and/or 30 days in the Evans County Jail. Jurisdiction for enforcement of this Ordinance shall be in the Evans County Magistrate Court.

Any portions of the prior Amendment to said Ordinance dated January 4, 2005, in conflict herewith is hereby repealed.

This amendment approved and effective as of the 2 day of October, 2018.
