Attention Motor Vehicle Owners:

The State of Georgia Motor Vehicle Division is in the process of replacing our old software system, which has been in place since 1999. The new system is scheduled to go live on May 24, which happens to be Memorial Day so our office will be closed.

Our old system will be unavailable after 5:00 p.m. on Thursday, May 23, and our office will be closing at 4:00 p.m. that day so we can complete our transactions and reports before 5:00 p.m.

Why is this important to you? Since we cannot access the new system until we return to work on Tuesday, we will be unable to process any motor vehicle transactions such as title transfers or issuing tags/decals on Friday before the Memorial Day holiday.

If you need to take care of any motor vehicle transactions by Memorial Day weekend, please remember you will need to do this prior to 4:00 p.m. on Thursday, May 23.

Please note that our office will be open on Friday, May 24, but only for accepting property and mobile home taxes.

We ask that you please bear with us during this transition. We are learning new software and although the State promises the program is user friendly, it will be an adjustment and, as with any new program, there is bound to be some down time for the first few weeks.

Thank you for your patience and understanding,

Julie E. Mincey
