

COVID-19 PRECAUTIONARY MEASURES: Evans County Extension Office

In an abundance of caution due to the coronavirus outbreak, all UGA Extension Evans County programs and events are cancelled through at least March 31, 2020. We are monitoring this situation closely, and this schedule is subject to change. Our office currently remains open; however, we ask that you consider whether your situation requires an in-person visit to our office. At this time, email and phone are the preferred methods of contact.

If you have any questions, please feel free to let us know.

Telephone: (912) 739-1292

Email: uge3109@uga.edu

In addition, UGA Extension has many valuable resources for assisting our community citizens during this time. Please visit <https://extension.uga.edu/to.../timely-topics/emergencies.html> We will also be updating our local website with resources <https://extension.uga.edu/county-offices/evans.html>

This is uncharted territory for all of us; we appreciate your patience and understanding as we continue to provide Extension services to the citizens of Evans County.

Stephanie Myers

Evans County Extension

4-H Extension Agent | County Extension Coordinator
