

EVANS COUNTY PROBATE COURT OFFICIAL STATEMENT

We are asking the public to refrain from non-essential services from the probate court at this time. We are open and available for urgent matters and emergency filings. We are also available for urgent requests for birth, death and marriage records. At this time, we are not conducting any non-emergency hearings or new weapons carry applications that require fingerprinting. If possible, please call our office in advance of visiting in person with your questions and requests. Our phone number is 912-739-4080.

We are asking voters to utilize "My Voter Page" (www.mvp.sos.ga.gov) for voter registration and absentee ballot requests. These requests are also being accepted by mail. The March 24th Primary is postponed until May 19th. Early voting is scheduled to begin on April 27th. The Voter Registration Office is open and asks that you call in advance prior to visiting their office. Their phone number is 912-739-0708. At this point, most of the business of the Voter Registration office can be handled by mail or online.
