

## ATTENTION

As a precautionary measure to guard against the coronavirus-COVID-19 and to help ensure the health and safety of the public and our employees the Evans County Tax Commissioner's Office requests that the public limit coming to our office for services that can be performed via mail, email, fax, or phone.

-Registration cancellations and TAVT estimates can be done online at [www.dor.ga.gov](http://www.dor.ga.gov)

-Registration renewals and tax payments can be performed via mail with a check or money order and by phone using a credit/debit card.

There are transactions that will need to be done in person such as title transfers for casual sales of motor vehicles, but if we can reduce the number of people coming to our offices, we can greatly improve the chances of our community not being affected by this virus.
