

Amendment # 1 – November 11, 2020

The following Sections of the RFP have been amended:

Old Section 4.1.2

~~4.1.2 The County will lease its ambulances, communications equipment, and other equipment to the successful Contractor for its use in meeting the terms and conditions of this RFP.~~

Old Section 4.1.3

~~4.1.3 The County and the successful Contractor will negotiate the leasing conditions for items 4.1.1 and 4.1.2 above, during the contract negotiation.~~

New Section 4.1.2

4.1.2 The Contractor will be responsible for providing all vehicles, equipment, and supplies necessary to meet the intent and scope of this RFP.

New Section 4.1.3

4.1.3 The Contractor may submit an alternative proposal to lease all of existing County vehicles, equipment, radios, and supplies during the contract period. This alternative proposal should explicitly describe the terms and conditions of the lease and distribution of maintenance, fees, licensing, as well as a recommended replacement schedule, whether at the County's or the Contractor's expense.

New Section 6.9

6.9 Sample Lease Agreement. If the Proposer is submitting an alternative vehicle and equipment lease proposal, the Proposer must include their sample lease agreement, as outlined in Section 4.1.3, for the for the County's consideration. The County and the Contractor will negotiate, in good faith, the final lease agreement.
