VERIFICATION OF GOOD MORAL CHARACTER

O.C.G.A. 25-4-8 (a) (3) requires that any person certified as a firefighter to be of good moral character as determined by an investigation. This is accomplished by an investigation of the criminal history of the candidate to verify that there is no recent pattern of convictions of crimes involving stealing, cheating, lying or some other that may indicate less than good moral character. Having an official from the fire department complete the following statement may satisfy this requirement.

Based on the criminal history search and other known and observed traits, it is my opinion that the below listed individual is of good moral character:

PHYSICIAN MUST USE THIS FORM

Note to medical personnel:

This applicant, if certified, will have met the medical prerequisites necessary to gain employment or appointment at any fire department in the state of Georgia, including but not limited to, the current department of which he/she is a member.

Firefighters are charged with the responsibilities of mitigating a variety of emergency and non- emergency situations where life, property, or the environment is at risk. Firefighters may be required to work under extremely harsh environmental conditions requiring them to wear cumbersome protective clothing and equipment while performing strenuous physical activities. They may be required to perform rescue work and/or provide emergency medical treatment to individuals suffering from medical or traumatic emergencies. While performing or participating in these operations firefighters may be required to make decisions that could have serious consequences to life and property.
